

Pre / Post Assessment Questions

Pose these four questions to your students before you begin one of the lessons in the "Make it Count" resource, and then pose them again afterwards.

1. What do you know about/did you learn about _____ (e.g. planning a party) ?
2. How does/did planning ahead help you to make decisions with your money? Explain why.
3. How does/did choosing an appropriate product or service make a difference to your spending?
4. How can/did managing your money wisely affect your spending decisions?
